

# **PREDATOR CX3**

## **Three-Tank Carpet Spotter**

The Predator CX3 is the most versatile, maneuverable, and rugged carpet spotter on the market today. For routine maintenance of spots and spills, the Predator CX3 is the perfect machine. It can be used on all carpets, including stairs, upholstery, car detailing and other hard-to-reach areas. Used with the correct pre-treating chemicals, the Predator CX3 is the ideal machine for interim maintenance of spots, spills, and problem extraction areas.

- 2.5 gallon (9 liter) recovery capacity keeps you on the job longer than most carpet spotters.
- Built-in handle and transport wheels make transportation from spot-to-spot a snap.
- Dual, one-gallon (3.785 liters) solution tanks allow you to use one tank for solution, one tank for rinse.
- Rugged, rotocast polyethylene body will not dent, rust, crack or corrode.
